

MAKE IT HOME

More than simply a roof over your head or a series of unrelated rooms — it's your personal nest filled with products of comfort, innovation and style, the sum of which make it home. Join 1,900 exhibitors from 33 countries and Make It Home to the International Housewares Show this year! The 2001 Show promises to be an unforgettable gathering filled with exciting exhibits, seminars from industry experts, great networking opportunities, displays, and information on the latest trends and hottest ideas from the world's leading suppliers and designers.
